Mayor David Bunker stated that the Carl Bunker yard, is close to a foot tall, he went on to state that he had nothing to do with the property that it belonged to Carl’s two grandsons. He went on to state that they had each been sent a letter letting them know that their water had been shut off due to lack of payment and that if the yard wasn’t mowed it would be mowed by the City and charged to the property.

George Hausdorf was next on the agenda. The Mayor introduced George and turned the floor over to the Aldermen to ask any questions they might have over why we had received two letters from DNR which showed the City in default, this in turn caused the City, at the City’s expense, to send letters to all the citizens twice explaining why the default. George stated that he had not received the testing supplies for first default, and that second default was a misunderstanding.

Joe Booth made motion 2nd by Sherry Bunker to close. Vote was Joe Booth- aye, Sherry Bunker- aye, Connie Handyside-aye, Donna Ash-aye.
